Bringing out the Best in Everyone.
'Encourage one another and build each other up.' Thessalonians 5:11

Date: 26th March 2021

Dear Parents and Carers

Thank you for your continued support and understanding during these uncertain times. This week there has been a significant increase in positive cases in schools across Cheshire West and Chester with some schools having to close because of outbreaks. It is vital we continue to follow all safety measures to keep our staff, children and families safe.

We have received several reports from concerned parents regarding families who are not following the lockdown rules. As I have already said, I am not going to police the situation, but we do all have a moral responsibility to keep our community safe. We are doing everything we can in school to keep your children safe, please do the same and help to protect our staff and children and help to us to keep our school open.

If your child displays any of the symptoms listed below, please do not send them into school and book a PCR test as soon as possible. If a child displays any of the symptoms in school, we will send them home. We appreciate these symptoms are similar to a common cold, but we must remain vigilant and book a PCR test to rule out Covid-19.

- Continuous cough
- High temperature
- Loss/change of taste and smell
- Shortness of breath
- Muscle or body aches
- Fatigue
- Sore throat
- Headache
- Nasal congestion or runny nose
- Diarrhoea
- Nausea or vomiting

National Day of Reflection

On Tuesday 23rd March, we marked the anniversary of the first lockdown by planting daffodils and displaying a special plaque in our reflection garden. We joined together for a 1 minute silence and our worship leaders shared their reflections.

The past year has been very challenging but we hope our beautiful Flowers are a symbol of positive times ahead.

I'm sure that when we went into lockdown lots of you (including me) were a bit confused about what was going on in the world and why we had to stop doing lots of the things we love. Some of you might have been feeling a bit worried because it wasn't the normal, we were used to. All of these feelings are natural. Some people might even be feeling a bit worried about the situation, even now and that's also ok. Today is the day that marks a year from the day when we went into the first lockdown. Can you believe it?! Hasn't that gone by fast. This year has been a tough one but I and I'm sure lots of other people have enjoyed it very much and will agree with me when I say it has had lots of bright sides, so let's think of those now. We have carried on learning in new and fun ways, we have found hobbies and skills that we probably wouldn't have even tried if we didn't have so much time on our hands, we've spent more time with our families, and we will now appreciate the little things like seeing our friends or giving our families and hug much more. Everything is now starting to go back to normal, there are so many things to be thankful for so just take a little bit of time to reflect on all the happy moments you have had over this year...

Prayer of the week

God of Love,
As we think about all that has changed this year,
help us to trust that you are always with us.
As we remember those who have died,
help us to trust they are at peace with you.
As we reach out to others with kindness and care,
may hope shine out in every heart and home.
Amen
