Dear Parents and Carers

Number Day: 3rd February

Our Children's Committee would like everyone in school to support the NSPCC's **Number Day** which takes place on **Friday** next week. The Committee met this week to organise the day's activities and the children would like to share their ideas with you:

On 3rd February, Tilston School will be having a **Number Day**. Your child/children can come into school in non-uniform and they could choose to wear something which includes a number (for example, a football kit or a onesie). Children in all the classes will take part in fun maths activities while also having an opportunity to make a difference to the lives of others. If your child/children would like to bring in a **£1** donation, we would be very grateful. Thank you for your support.

Education Sunday: 5th February at 10.30 am

This year's Education Sunday service will take place on Sunday, 5th February. It's always a lovely service to take part in and families from both Tilston and Shocklach Schools are invited to attend. Reverend Jane has asked our school choir to sing a few songs and we have sent home a letter for those children currently in Performing Arts Club with further details. Everyone is welcome at the service and it would be great to see lots of you at St Mary's Church next weekend.

Personal Development
