Bringing out the Best in Everyone.

Date: 2nd February 2024

Dear Parents and Carers

It has been a wonderful week in school, sharing our achievements and priority areas for this year with Sue Noakes, Deputy Director of Education for Chester Diocese. Mrs Noakes enjoyed visiting the classes and chatting to children and parents in our Stay and Play session.

Outdoor Exploring

The children have thoroughly enjoyed taking part in this year's RSPB Big Schools Bird Watch. They enjoyed identifying the different types of birds around our school, drawing the birds, making nests and making bird feeders to hang in the trees to encourage more birds to visit. A short video is available on our Twitter page @TilstonSch

Science Fair

There has been a great response to this year's science fair and we are very much looking forward to seeing the finished projects displayed at The Bishop Heber High School on Monday 11th March.

Mrs Bryan will lead a short meeting for parents on Friday 9th February at 2:45pm to share some examples of projects and talk through the criteria.

On the afternoon of Friday 1st March, the children will have the opportunity to work alongside the teachers to complete their projects and add the finishing touches to their boards. Please feel free to email any work across to Mrs Farmer and we will happily print off in school. Project boards are on order and we will let you know when they are available to collect.
