

JUNIOR SAFETY OFFICERS February Bulletin

PARKING OUTSIDE SCHOOL

Have a think about how you get to and from school?

Some children walk, scoot, cycle, take buses, trains or taxis and some arrive by car. Nearly all schools have a problem with parking outside their school. There are too many cars.

We need your help!

If you arrive by car please let the driver know the rules.

- Never park or drop someone off on the yellow zig-zag lines. You can get a fine from the police for both.
- Never park on double yellow lines unless you are a blue badge holder.
- Never block neighbours driveways.

Remember if you can, try to walk, scoot or cycle into school. Thank you.

SAFER INTERNET DAY

Safer Internet Day is on Tuesday 6th February 2024

and this year's message is

'Together for a better internet'

Think before you post!

- T is for Think
- H is it Helpful
- I is it Inspiring
- N is it Necessary
- K is it Kind

We all need to stay safe and share only what is necessary on line so that people don't see things that you wouldn't want them to see.

- Such as:
- Your name and address
 - Your passwords
 - Photographs
 - And even the name of our school.

BE SAFE, BE SEEN, BE SECURE
