### Year 6 Leavers

As we reach the end of this academic year, it's time to say goodbye to our Year 6 pupils. We wish **Harvey, Ellie, Theo, Oliver C, Joshua, Freya, Cameron, Alexa, Savannah, Joseph, Jack, Mya, Oliver J, Cara, Jasmine and Holli** all the best as they leave Tilston School and move onto high school. I am sure that they will continue to bring out the best in themselves and one another as they begin the next phase of their learning journeys. Their **Leavers' Service** will take place at St Mary's Church at **6.30 pm on Monday**.

On Monday our Key Stage 2 pupils competed in the Deanery Sports evening at Tarporley High School. Our team competed in field and track events and proudly brought home The Dickinson Shield! Our team demonstrated excellent team work, high levels of determination and it was brilliant to see their skills rewarded. Well done everyone! A big thank you to all staff and parents for supporting this event.

## The Wizard of Oz

The Key Stage 2 production of **The Wizard of Oz** was truly spectacular and a very big thank you for all your support. The children, both on stage and behind the scenes, worked together and certainly entertained us all on Tuesday. A special thank you to all the staff for producing the wonderful back drop, the fantastic costumes and the work involved in supporting the children with their parts. I thoroughly enjoyed it and appreciate all the lovely comments we have received. Many thanks to the TSA for providing refreshments.

## Bishop Heber High School Arts Celebration Evening

Our Year 3 & 4 House Martin's have been busy creating some wonderful art work which was exhibited at The Bishop Heber High School on Wednesday evening. The theme 'This is Me', was portrayed very creatively and the blue theme represented our Tilston colours. It was a lovely evening celebrating the wonderful art work across all of the schools.

### Personal Development Goals

This week's personal development goal is to **Imagine**.

**“Our imagination it is our greatest ally . . . Imagination is a very, very powerful thing. It literally invents the path before you.”**

**–Glen Hansard**

Well done to the following children who have used their **imaginations** this week.

### Can you help us please?

We are in the process of developing the outdoor area in year 1. The children leave the Early Years with high levels of independence and a love for outdoor learning and we want to continue to develop this in Key Stage 1. We are purchasing new equipment, but we are hoping you can help us with some everyday objects:

- milk bottle tops
- outside children's table and chair set (We are handy with a paint brush if you have an old set)
- pallets
- logs (We want to cut them to create a small seating area/stepping stones etc)
- empty large cable reels
- 3 x 14 inch old tyres
