Dear Parents and Carers,

We had a great start to the week with the launch of our new KS2 Science Club. All the children have now been organised into teams for the Bishop Heber High School Science Fair, which will take place on March 11<sup>th</sup>. All our budding scientists were excited, enthusiastic and looking forward to starting their own investigations. Each week we will post a Twitter feed showing how the investigations are developing.

### TSA

Thank you to everyone who attended the TSA meeting on Tuesday evening. We talked about this year's wonderful Christmas Fair and planned other fundraising events for this year. I am delighted to announce the TSA have kindly agreed to resource the new KS1 outdoor area. Thank you!

### Year 3 & 4 Parent Information Meeting

Please remember the Year 3 & 4

**'Maths Multiplication Meeting'** on Monday 28<sup>th</sup> January.

Mrs Hughes will lead two sessions: 3:30pm and 5pm to talk about our Times Tables Rockstars launch. During the meeting, information regarding a national multiplication test for all Year 4 pupils will be discussed. We hope you will join us to find ways of helping your child's learning.

This week a parent raised concerns regarding parking on the pinch point on Church Road. If you could please refrain from parking on the narrow part of the road; parents are parking on the pavement which is resulting in children walking on the road. **Please work with us to keep our children safe at all times.**

This week's personal development goal is **concentrate**. Well done to following children who have demonstrated their ability to stay focused and concentrate at all times.
