Dear Parents and Carers

Covid-19 Update

I am pleased to report that for the first time since the start of the term we are Covid free in school. All children and staff have returned to school this week and we have enjoyed celebrating our achievements together today in a special Celebration Assembly.

It has been a challenging half term but together we have implemented additional safety measures and controlled the outbreak. Thank you for your continued support, understanding and patience; we feel very blessed to have such a supportive school family.

It is inevitable that we will have further cases after half term but with your continued support we are hoping for a very special Christmas and look forward to welcoming you all back into school to join in with the festivities.

The Storyhouse- Oliver Twist

Children in Robins, House Martins and Kestrels classes should all have received a letter regarding our theatre trip. The payment system is now open. A special thank you to the TSA for covering the cost of the coaches and helping to keep the cost to a minimum.

Unfortunately, we were unable to book the showing where Teddy Tindle will be performing as Toots. Teddy is a past pupil and always had a passion for the arts; we would have loved to have seen him performing!

Cake Sale

Thank you for supporting Megan and Joe's cake sale; we had a wonderful array of tasty treats to sell. We look forward to sharing how much money was raised after half term.

This week Megan and Joe and their wonderful team of helpers have been busy building up boxes during their playtimes and selling them across the school. It is wonderful to see how excited the children are at making Christmas extra special for children around the world. We have sold 93 boxes!

Please return your boxes between 15th-22nd November.

We have been celebrating Black History Month in school this week. Each class shared their work in Celebration Assembly this afternoon.

An important message to the Robins class

Due to personal reasons, Mrs Bryan will be working a Monday-Thursday and Mrs Berry a Friday after half term. PE days will therefore change back to a Monday and Wednesday.

Next week's menu is WEEK 3

Eco Week

"After half-term, we will be celebrating our Eco Week to co-incide with the Glasgow COP26 Climate Change conference. We will be taking part in a variety of activities across the school and you can help too! If you would like to give your child a head start, you can take part in the activities at Cup26 [www.cup26.co.uk] to help your family go one step greener. Football fans can choose to complete activities and earn goals for their favourite team or you can simply use the activity suggestions as inspiration to make small changes and track your progress. Good luck!"
