A Note from the Chair

WHOOOP WHOOP! What a great year we are having!

I am sure you will join me in offering a heartfelt thanks to our TSA team for their infectious enthusiasm and hard work behind the scenes putting on events and organising our fundraising initiatives along with a whopping huge thank you to every one at Tilston school, Mrs Mort, Mrs Farmer, our fab teachers , parents, children and those from our wider community whose ongoing support, donations and contributions are the essential ingredient for or all our successes!

Thank You!

There is alot of information to pass on regarding the summer fair along with the chance to win two incredible prizes in the run up to the fair so please take five minutes to read through so you don't miss out!

Our warmest regards

Amanda & Jo
