Dear Parents and Carers,

I am delighted share the report from our London trip by Matilda Kehoe:

Kestrel Capers in the Capital!

Before Half Term, the Kestrels took an exciting trip to London. It was a truly memorable experience. Here are some of the things that we got up to.

- After an early start from Tilston, we had a quick-pit stop at the services, before arriving at Windsor Castle. Luckily we had brought our own sandwiches because Her Majesty had provided nothing whatsoever! We wandered around the State Rooms, and admired the Great Hall. No corgi's in sight though (except for in the gift shop!).
- Back on the coach, we headed for Wembley, we were all really excited to pass the Wembley Arch, and some of us took photos of it! Our hotel was just around the corner, so after dropping our bags off we headed out for dinner, in London.
- The highlight of the evening was going to the theatre to watch the magnificent Lion King. The costumes were amazing and some of the animals walked right past us in the audience. It was a very late night and we all went straight to sleep afterwards – honestly!
- After breakfast, we set off for the riverboat cruise down the Thames. It was very sunny. The boat took us from Westminster to Tower Bridge. We spotted lots of famous buildings, such as, Walkie Talkie, Big Ben, Tower Bridge, and much more.
- We ate lunch near Tower Bridge and then set off for our tour of the Golden Hinde. We went below deck and experienced life aboard as a ship mate! Although we didn't use the towrag! By the time we reached the coach, we were feeling tired after a long and enjoyable day, and ready to head home.

Thank you to our parents and teachers for a fascinating trip to London.

I think we all have lovely memories of Capers in the Capital!

Parent Committee Meeting

The next Parent Committee Meeting will be on Wednesday 3rd July at 5:30pm. The Parent Committee meeting is open to everyone. Please do come along to discuss ways of further developing our school.

E Safety

Kendra Richardson and Lucy Blake are our E Safety Officers and have worked hard throughout the year to raise awareness of internet safety across the school.

On Wednesday 3rd July at 6:30pm, we would like to invite you to our **Cheese and Wine E Safety Evening**. PC Sally-Anne Malone will talk to parents about the importance of internet safety and the potential dangers. We are seeing an increase in internet related issues and would urge all parents to attend this meeting. Please complete and return the slip below to secure a place.

This week's personal development goal is to **concentrate**. To get good at something, you need to concentrate and get it done but that is not always as easy as it sounds. Well done to the following children who have shown high levels of concentration this week.

Stars of the Week

YR	William: concentrating in maths.
Y1	Lilla: excellent focus and determination in maths.
Y2	Martha: great concentration and focus in maths.
Y3	Logan: concentrating really hard all week.
Y4	George: super concentration and focus in all his work.
Y5	Josie: showing determination and concentration in literacy
Y6	Molly: always concentrating and working hard in lessons.

Worship

Thank you for joining us this week for our Robins family worship. The children talked about respect- who they personally respect and why. At Tilston School we pride ourselves on the respect we have for each other- it's what makes our school a special place!

We hope you will be able to join us for your child's worship. Please see the dates below:

House Martins	Wednesday 19 th June at 9am
Kestrels	Wednesday 26 th June at 9am.

Bank Holiday May 2020

You may have seen that the Government announced on Friday 7 June that the early May bank holiday in 2020 will move from **Monday 4 May to Friday 8 May** to mark the 75th anniversary of VE Day which takes place on 8 May. This is to enable people to pay tribute to those who served in one of the most significant events in our country's history.

Summer Reading Challenge

There are lots of activities and fun available at your local libraries this Summer and it's all free! Just visit your local branch **from Saturday 13 July onwards** in order to take part.

All you have to do is read 6 books over the summer and collect rewards along the way including bookmarks, glasses and window stickers.

This year's Summer Reading Challenge takes place in space, in celebration of the 50th anniversary of the first Moon landing.

The Rockets are a futuristic family living in space and they are hot on the trail of a mischievous band of aliens! The aliens have been jumping from galaxy to galaxy, helping themselves to whatever they like. Now books have mysteriously started to vanish from the Moon Library and the Rockets are on the case. With lots of help from you, the Rockets will go on a mission to try and find the missing books and introduce the aliens to the wonders of the library. There's plenty of peril along the way, from black holes and shooting stars to the murky depths of the alien ship. Let the Space Chase begin!

If you manage to find all the books and complete the mission there's also a certificate and medal to collect, given out at a special award ceremony.

How the Challenge works

- Children sign up at their local library (**from Saturday 13 July**) and receive a Space Chase mission book
- Children borrow and read at least six library books of their own choice during the summer, collecting special stickers (some are a bit smelly) and incentives along the way
- Library staff and young volunteers are on hand to advise and run family-friendly activities
- Children who complete the **Summer Reading Challenge** are presented with a certificate and a medal at a special award ceremony

It's that simple – just call into your local library, from Saturday 13 July onwards, and let the adventure begin!

Mrs Richardson (Mary & Fraser's Mum) is organising a Tilston aerobathon in aid of blood cancer charity DKMS. We are raising money and also trying to encourage as many people as possible to join the stem-cell donor register.

Our Prayer of the Week- Lily

Open our eyes to value each person that we meet.
Help us to recognise what we have in common and respect what makes each of us unique.

Wishing you all a restful weekend.

Yours sincerely
