Poetry- A message from Mrs Callister

Dear Parents,

We very much wanted to share our poetry with you as we have done in previous years. The Poetry Evening gives the children an opportunity to develop the area of our reading curriculum which states 'prepare poems to read aloud with expression, volume, tone and intonation'. Due to Covid however, we feel it will be safer for our children to perform their poems at a safe distance to the rest of the children in school this year. We would still like you to help them prepare for this event at home by helping them to learn a poem and perform it to you. They are welcome to bring in props or outfits to enhance and support their performance if they wish to. The Poetry Afternoon will now take place on Friday 12th November in school time. Many thanks for your understanding and continued support; we really hope to welcome you all back into school soon.

Next week's menu is WEEK 1

Parent Committee

We will be hosting our first Parent Committee meeting of the year on Wednesday 17th November 2021 6-7pm. The meeting will take place in school and all parents are welcome to join us

Our Parent Committee is a group of parents who support us in celebrating our achievements and helping us to further develop our school.

Our focus for this term is our curriculum. In the meeting we will share our long-term plans for each class and explain how our bespoke planning is designed. We are particularly interested in hearing from parents who feel they can further enhance the teaching and learning by sharing your skills and expertise.

Eco Week

To celebrate Eco Week, we have been taking part in a variety of 'green' activities. Key Stage 2 began their week with a water saving workshop, whilst Key Stage 1 carried out a litter pick in the village. We have learnt about recycling, how to repair clothes, how to make paper, how to make feeders and homes for wildlife and how to transform food. We have written to MPs and have all made a promise to the planet today. Please look at your class blogs and discuss this week's learning with your child.

Governor Open Day

Our governors have been in school today and have enjoyed observing a range of lessons, looking through books and speaking to the children. The children have thoroughly enjoyed talking about their learning and meeting the governors.

Prayer of the week

Jesus help my eyes to see, all the good you send for me.
Jesus help my ears to hear, calls for help from far and near.
Jesus help my feet to go, in the way that you will show.
Jesus help my hands to do, all the things loving, kind and true. Amen

Have a lovely weekend.

Yours sincerely

Mrs Kelsey Mort
