28<sup>th</sup> June 2019

Dear Parents and Carers,

Thank you for joining us for worship this week. Our Kestrels class led their family worship and focused on respect. The children talked about their special places and we all agreed that our school is a very special place.

### Iceland

**NO APPETITE FOR EXTINCTION**  
By the end of 2018, Iceland will become the first UK supermarket to stop using palm oil as an ingredient in our own brand foods.

'Thank you, Mr Walker for an inspiring and passionate talk about palm oil. We talked about saving our rainforests and reducing the use of plastic. We pledged to support Iceland and look at ways we can encourage other supermarkets to become plastic free.' **Amelie Barry**

### Parent Committee Meeting

The next Parent Committee Meeting will be on **Wednesday 3<sup>rd</sup> July at 5:30pm**. The Parent Committee meeting is open to everyone. Please do come along to discuss ways of further developing our school.

### We urge you all to attend!

#### E Safety

Kendra Richardson and Lucy Blake are our E Safety Officers and have worked hard throughout the year to raise awareness of internet safety across the school.

On Wednesday 3<sup>rd</sup> July at 6:30pm, we would like to invite you to our **Cheese and Wine E Safety Evening**. **PC Sally-Anne Malone** will talk to parents about the importance of internet safety and the potential dangers. We are seeing an increase in internet related issues and would **urge all parents to attend this meeting**. Childcare will be provided in school from 6:30-7:30pm.

This week's personal development goal is to **Imagine**. Successful people imagine what things could be like-even if things aren't very good now. Well done to the following children who have shown a positive attitude and showed imagination this week.

## Stars of the Week

<b>YR</b>	Bella: for her imaginative story writing.
<b>Y1</b>	Archie: using maths in a creative way.
<b>Y2</b>	Evelyn: responding creativity through dance.
<b>Y3</b>	Grace: imaginative drawing and creative ideas.
<b>Y4</b>	Ruby: bringing her imaginative ideas to everything she does.

### A message from the TSA...

Congratulations to the Carberry family who won the early bird prize to Lego Land Discovery!! We hope you enjoy your time out. We have raised a fabulous £340 on raffle tickets so far and hopefully there are still some to come back for the big draw on the 5th July. We bought 1000 tickets in total and can't buy in any more so if you have any unsold books it would be super appreciated if you can please return them to school so we can sell them on. Huge Thank You! As always for your support.

Just a little reminder that it's bring any teddies you are donating to the tombola Monday morning. And last but not least ...

We need a few more helpers on the day. If you can offer 30 minutes to help on a stall at the fair, please email Amanda at [info@hellomae.com](mailto:info@hellomae.com) or let us know through Facebook. We are hoping to sell some delicious cakes along with refreshments at the fair, if you are able to donate any items please bring in Thursday afternoon or first thing Friday morning. Thank you

### Reception to Year 1 Transition Meeting on Monday 1<sup>st</sup> July at 3pm.

We would like to invite all reception parents to a meeting on Monday to discuss the transition into year 1. Mrs Bryan will meet with parents to discuss

the curriculum, routines and how best you can support your child. We look forward to seeing you.

### **Welcome to Tilston Parochial Primary School**

Our Reception Intake Evening will run on **Monday** 1<sup>st</sup> July. This is an information evening for parents of our next Reception cohort and it runs from **6.30 pm** (it will last around an hour). You will have a chance to meet your child's Year 6 buddy and find out more about your child's Reception year. Please feel free to bring your child if you wish.

### **Learning a musical instrument at Tilston Parochial Primary School – Reminder.**

Don't forget, if your child would like to try a course of instrumental lessons in school you need to book them as soon as possible before the end of the summer term to be sure of getting a lesson place.

You will find lots of information here <http://www.musicforlife.org.uk/apply-now> and lessons can then be booked on line, should you decide to do so. All new courses enjoy a 12 week taster period after which time you will be sent a report on progress and can decide whether to continue lessons, change course or cancel further lessons. Music for Life is a quality assured, not-for-profit organisation providing lessons to around 4,500 every week across Cheshire, Wirral and North Staffordshire that has twice been judged to be an "outstandingly effective" service which provides parents and schools with "outstanding value for money". Most questions should be answered by the Music for Life website here - [www.musicforlife.org.uk/parents/faq](http://www.musicforlife.org.uk/parents/faq) - and you'll get a very good feel for what parents think of the service by visiting their facebook page here - <https://www.facebook.com/Musicforlife1234> - but if you have any further questions, please contact them at [admin@musicforlife.org.uk](mailto:admin@musicforlife.org.uk). Support with the cost of lessons may be available for families facing hardship; you'll see information about this on the website, but please contact Music for Life about this if you want to find out more.

From September, there will be a slight increase in prices to the hourly rate for Nursery additional sessions, Early Starters and After School Clubs. We do not provide wrap around care to make a profit, rather than provide a service to support our families. We are keen to continue; however, we need to ensure we are covering our costs. Early Starters will cost £4.00 per session. Nursery additional sessions will cost £4.00 per hour. After School care will cost £4.00 from 3:30-4:30pm and £4.00 for part or all of the final hour; 4:30-5:30pm.

Years 1-6 will be focusing on 'Growing Up'. Resources being used in lessons will be available to view on Monday 8<sup>th</sup> July in the main hall from 3:15pm. Please come along and talk to class teachers and look at the materials used in school.

### **Our Prayer of the Week- Molly W**

Dear God,

Thank you for our school. We pray it would be a safe place of learning, fun and friendship. Please watch over all our teachers, children and families.

Help us to learn new things, to explore the world together and to play and be happy.

Help us to have love for each other, to have forgiveness at our heart, and to build kindness into every day.

Amen.

Wishing you all a lovely weekend in the sunshine!

Yours sincerely

Mrs Kelsey Mort
