Bringing out the Best in Everyone.

'Encourage one another and build each other up.' Thessalonians 5:11

Date: 29th April 2022

Dear Parents and Carers

We have been incredibly proud of the quality of play at breaktimes and lunchtimes this week. The Kestrels class are showing what brilliant buddies they are to their friends in the Wrens and some children in House Martins have set up a ball skills club to help the Robins class develop their football skills. The children have shown what good friends we have at Tilston School.

"Friends are like stars. You don't always see them but you know they are there."

Our Worship Leaders have set up a lunchtime club for children to make their own special stars for their friends.

Gardening Club

Ms Hegarty and the children have been very busy weeding and preparing our vegetable garden ready for planting.

I will be running a gardening club at lunchtime and working with the children to brighten up our school grounds in preparation for the Tilston Garden Trail in June. We would be extremely grateful of any donations for our garden:

tomato plants
netting to protect our plants from visitors!
peas
beetroot
bedding plants
large plant pots
sweet peas

Thank you in advance for any kind donations.

Thank you that we can talk to you at any time.

Amen.
