Bringing out the Best in Everyone.
'Encourage one another and build each other up.' Thessalonians 5:11

Date: 10th July 2020

Dear Parents

Thank you for continuing to support us in following the strict drop off and collection times; it is vital that we continue to adhere to the timings to avoid mixing the bubbles and increasing the risk of infection. It really has been a team effort in bringing back all year groups and we should all feel very proud that we have achieved this.

Next week, we look forward to the children joining us for the day and we will be making the day extra special as we prepare the children for their new classes in September. I am still currently working on the plans for September and will share our final plans next week.

Please see the dates and times for next week.

Week Beginning 13th July 2020

Covid Hair Cut Fundraiser

£555

A very special thank you to Mr Roberts and his incredible family for donating a staggering £555 to our Bluebell Nursery. Mr Roberts kindly offered to shave his lockdown locks to raise much needed funds. I loved seeing Emily's face as she took to the clippers!

Thank you VERY much.

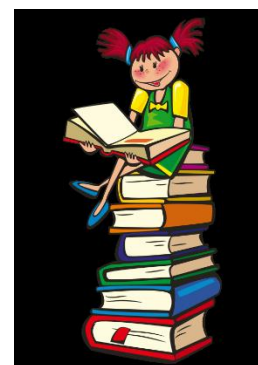

Thank you very much for embracing our first ever virtual sports week. We had fun making the videos and have really enjoyed seeing how the children have taken on the challenges.

We look forward to counting all the points and will announce the winning class and team next week.

Reading Books

To ensure we can start using reading books safely in September, we must put all books in quarantine over the summer holidays. Please return all books next week. We will put a plastic box near the main entrance and would be very grateful if you could please return all books. Books will be sealed and stored over the summer holidays and we can then look forward to using our books again at the start of next term.

TSA

The TSA have arranged for a Recycle4School collection to take place on Wednesday 15th July. Bags will be sent home with those children in school or you can use a bin bag. Please fill it with clothes, shoes, trainers, handbags, belts, and accessories. The company cannot accept soft toys, school/work uniform, ripped or stained items or old, worn out items. Please bring your bags to school on the morning of 15th July and deposit on the playground to await collection. Please do not return them in advance as we are unable to store them. Many thanks.

Reports

All end of year reports have been emailed out to parents this week and I hope you enjoy reading and sharing your child's achievements throughout the year with them. ALL children have been incredible; always showing resilience, embracing a new way of working at home and returning to school with a positive attitude. We are extremely proud of all children.

Due to the current circumstances, we hope to organise a parents' evening early in the autumn term where you will have the opportunity to discuss your child's report. We look forward to being able to welcome you back when the guidance allows us to.

Worship

We have continued to focus on our value **Friendship** this week. We shared the story of Bella and Barney and discussed the use of mobile phones. We all agreed that it is easy to become distracted and that true friends always make time to listen to each other. We have incredible friendships at Tilston School, and it is a strength of our school community.

Thank you

The last few months have been the most challenging times we have ever experienced. I would like to say thank you to our school family- staff, governors, parents, children and our local community- who have all worked incredibly hard to support our plans. We have received many lovely emails and kind words of support which we are very grateful of. Thank you!

Next week is our last week of the summer term. We will break up on Friday 17th July and return on Wednesday 2nd September 2020.

Have a lovely weekend.

Best wishes

K Mort
