Date: 18th September 2020

Dear Parents and Carers

Thank you for your continued support and patience as we continue to adhere to the government guidance and implement new systems to minimise the risk of infection. Please refer to the guidance on the school website www.tilston.cheshire.sch.uk if your child displays Coronavirus symptoms.

It is wonderful to have our children back in school!

Home Learning

Bringing Out the Best in Everyone.

At Tilston Parochial Primary School we aim to provide a high quality, inclusive, broad education that all our children will find interesting, engaging and fun. We use the Early Years Statutory Framework, 2017 and the 2014 National Curriculum as the basis of our planning of all subjects.

Our aim is to equip our children with the knowledge, skills and an extensive vocabulary to grow as independent learners and cultivate a love of learning. Our curriculum guides children to become skilled mathematicians, fluent readers and confident writers and who can apply these skills in all subject areas. Our curriculum encourages all children to strive for the highest levels of attainment and achieve great progress for their individual starting points. Each day is filled with exciting and challenging activities that enable children to achieve and leave school knowing more today than yesterday, and less than tomorrow.

Due to the current pandemic, we are aware many families will need to self-isolate this term. We have created a Home Learning package for each year group to ensure children can continue to access their learning from home which is inline with the learning the rest of the class will be doing. Our Home Learning packs have been carefully designed by our class teachers to enable your child to continue learning from home and avoid any disruption.

A Quick Guide to accessing Home Learning

If your child is self-isolating and well enough to complete schoolwork, please follow the instructions below to access the work the class will be completing this term.

- 1) Please follow the link to open our school website
www.tilston.cheshire.ch.uk
- 2) Click on **Classes** and scroll down to your child's class.
- 3) Click on your child's class.
- 4) Scroll down to **Files to Download**
- 5) Open the **Timetable** document and note the lessons planned each day.
- 6) Open the **Home Learning** document- in **Files to Download** and click on the websites to access activities. The websites have been carefully chosen to enable your child to work on the same objectives as the work children will be completing in school.
- 7) All lessons will be inline with the learning taking place in school.

Oak National Academy provides lessons for all year groups and all subject areas. Please click on **Subjects** and click on the appropriate **Year Group**. Next, click on the individual **Subject** and click on the unit that matches the unit on the class timetable.

Our Home Learning Packs are for self-isolating pupils only. In the event of a bubble closing or a national lockdown where teachers are also self-isolating or working from home, we will continue using The Pupil Area on the school website and set daily activities. The Pupil Area is the same system we used previously and there are no changes to login details.

Celebration Assembly

This week we have been trying hard to concentrate. To get good at something, you need to concentrate and get it done but we know that is not always easy. Well done to the following children who have concentrated well this week.

Stars of the Week

N	Albert: concentrating on his scissor skills.
YR	Beth: always concentrating in class.
Y1	Lara: concentrating on her number work.
Y2	Lawrence: always concentrating hard on his work.
Y3	Archie: super concentration in literacy.
Y4	Harry: wonderful concentration in literacy.
Y5	Fraser: beautiful concentration all week.
Y6	Drummond: always working hard to concentrate in class.

This year we have a pupil with a **severe** nut allergy in school and we need to ensure they are not at risk in any way. Please do not send any items in packed lunches or for snacks containing nuts. Thanks.

Behaviour Award

Our new behaviour system has been working well this week and we are extremely proud of the exceptional behaviour in all classes. Children are working hard to follow the Tilston Code and be positive role models around school. The class with the highest number of dojo points this week is:

The Robins Class

Congratulations Robins for your outstanding behaviour!

Prayer of the week- Olivia Hughes

Dear Lord
Thank you for keeping us safe at school and having fun with our friends.
Please keep us happy and healthy as we learn new things.
Amen

Have a wonderful weekend.

Yours sincerely
