Dear Parents and Carers

School Hall Project

It has been wonderful to see such a positive response to the school's request for fundraising ideas. Amanda Barr is currently putting together a calendar of events and initiatives which together will help the school reach its target of **£50 000**. Thank you to the parents, children and staff who have already committed to supporting the project so far; if you haven't got back to us yet, please feel free to do so!

We have reached an exciting stage in the process now. Our architect, Susan McBain, is currently putting together an outline design for the new hall. She will be developing a design with us which will bring together the two 'halves' of the current school layout (the 'old' and newer buildings). We have been given a selection of brick samples to look at and I'd be interested to hear what you think. I will make these available after school today and before/after school on Monday. Do let me know what you think and feel free to ask any questions about the project as a whole.

A Request from Chris Gilbert

Chris Gilbert is well known to our school and has worked with us regularly on a number of faith and art projects including our lovely mosaic and logo. He also teaches our Music for Life guitarists each week. As part of his ['Art and Soul Man'](#) project, he works in many schools in and beyond Cheshire delivering collective worship and faith-based initiatives. He has just written a song about British Values and has asked if some of our Year 5/6 pupils would be willing to offer their help in putting together a video to help teach it to children in other schools.

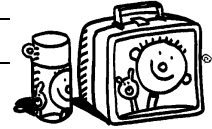

If your child is in the Kestrels class and you would be willing for him/her to take part, please sign and return the permission slip below. The video will include clips of the children singing the song and demonstrating the actions that go with it. The children's names will not appear anywhere on the material.

Education Sunday: 7th February at 10.30 am

Don't forget that this year's Education Sunday service will take place on **Sunday at 10.30 am**. Children from both Tilston and Shocklach will be taking part so do come along if you can. If your child is taking part with the choir, I would be grateful if he/she could wear full school uniform. Thank you in advance for your support.

LUNCH MENU for week beginning 8th February 2016	
Monday	Gammon steak, potatoes and veg or pasta in tomato and herb sauce
Tuesday	Beef burger in a bun with wedges and beans or jacket potato with tuna
Wednesday	Roast dinner
Thursday	Chicken pasta bake or jacket potato with cheese and beans
Friday	Cheese and tomato omelette or fish and wedges

Personal Development Goals

This week, we have been looking for children who **push themselves**. We have thought about the doubts and fears we might have when trying new or challenging activities and how we might need to look to others for advice and encouragement. The following children have shown commitment in these areas:

STARS OF THE WEEK

YR	Glyn: for his work in our Marvellous Maths challenge
Y1	Ronan: for improving his sentences using conjunctions
Y2	Oliver: for always trying to improve and correct his own work
Y3	Lily: for doing her best to use ambitious vocabulary
Y4	Harvey: for having a great attitude towards maths investigations
Y5	Emily: for pushing herself to give her best in everything she does
Y6	Liam: for pushing himself in literacy and showing great focus

Have a great weekend!

Yours sincerely

Richard Harley

Mr R Harley

CHRIS GILBERT REQUEST: Y5/6 PARENTS ONLY

Child's name:

I give permission for my child to work with Chris Gilbert in developing his British Values song video. I understand that clips including my child may be put onto DVD for use in other schools.

Signed: (parent) Date.....
