Y3/4 Stone Age Trip to Delamere Forest

The House Martins thoroughly enjoyed their visit to Delamere Forest on Tuesday where they went back in time to explore the Stone Age. Please look out for photographs on the class blog.

Family Worship

A special thank you to the Kestrels class for leading our first family worship of the year. The children linked our Christian value- thankfulness- to their history topic WW1. Our theme this week 'counting your blessings' was shared through their knowledge and empathy of what life was like during the WW1. The children shared who or what they were thankful for and reminded us all to focus on the positives each day and to always count our blessings.

This week's personal development goal is **understanding others**. Well done to the following children for showing an understanding to the feelings and needs of others.

Healthbox- Mrs Huxtable

As part of my role as ELSA lead at Tilston Primary School, I am working closely with Healthbox to develop our understanding of mental health and emotional wellbeing across the school. We will be running a 4-week programme for parents called Timid to Tiger. The course aims to explore the role of anxiety within a family, how it develops and how parents/carers are well placed to support children who frequently feel anxious. The sessions will offer practical tips and advice on things that parents can do to help their child cope with their anxiety and overcome challenges they face. The course will be delivered by Lianne Hoyle, Family and Child Mental Health Practitioner.

We would like to invite you to join the workshops, places are limited to a maximum of 15. The sessions will take place at Tilston School in the library.

Details of the sessions are below:
